

# Amoebunnies

## Overview

Amoebunnies is an asymmetrical board game where each player takes the role of one of 6 bunnies, adventuring through lands surrounding the Rainbow Mists, competing to finish their objective and win.

## Objectives

**Roy needs to deliver flowers to bees, butterflies and birds in exchange for rides across the map.** Help him quickly find and deliver 6 flowers to secure fight paths.

**Cam has fallen apart, splashing into smaller bunnies, scattered throughout the lands.** Help him gather all 12 pieces of himself back together again.

**Sari wants to hide presents to surprise her friends and spread joy.** Help her find a hiding place for all 14 gifts while giving others a boost.

**Midori loves to have fun and today she finds joy in chasing rainbows.** Help her collect three rainbows by traveling over multi-colored paths.

**Sunil loves to paint and is looking for pigments to use in his next project.** Help him collect 6 colors for his palette, while also making sure that he doesn't get lost.

**Violet loves science and is using her particle detector to collect color readings.** Help her take at least 6 color readings resulting in the discovery of 6 unique color samples.
